S. Richard Arens, House Committee on Un-American Activities called [redacted] to raise the question of an appearance of [redacted] before NCUA at some time in the future. Mr. Arens said that when he last talked with the Director [redacted] Mr. Dulles said he would let him know about [redacted] at some time in the future. Mr. Arens said he would like some word on this. He feels that we should be able to [redacted] within a matter of several weeks and, therefore, would like to set some definite time for an appearance if possible. He added that they would be glad to "avoid any areas which might be sensitive to other agencies." Mr. Arens was advised that we would check on this and be back in touch with him.
